

ASIM
DEDICATED CONFERENCE

September 18th to 20th, 2019 – Chemnitz, Germany

SIMULATION

IN PRODUCTION AND LOGISTICS

Fraunhofer Institute
for Machine Tools and
Forming Technology IWU

SIMULATION IN PRODUCTION AND LOGISTICS

September 18th to 20th, 2019 – Chemnitz, Germany

CONFERENCE TOPICS

- Human Work and Personnel Planning
- Assistance Systems
- Intralogistics Applications
- Supply Chains and Production Networks
- Transport Logistics and Transport Systems
- Digital Factory and Data Science
- Energy Efficiency, Energy Flexibility and Sustainability
- Production and Material Flow Processes
- Commissioning and Maintenance
- Simulation Methods and Simulation Systems
- Simulation in Factory Operation
- Visualisation and VR/AR in Simulation
- Simulation and Optimization
- Simulation Applications in Industry and Services
- Theory and Methodology of Simulation Technique
- Verification, Validation and Experiment Design
- Simulation and Economy
- Simulation of (Semi-)Automated Systems

TIMELINE OF SUBMISSIONS

- Submission of exposés by February 12th, 2019
- Notification of authors by March 22nd, 2019
- Submission of full papers by May 10th, 2019
- Review of full papers by June 24th, 2019
- Submission of camera ready manuscripts by July 22nd, 2019
